Slim Ouederni

SENIOR TRADER · CRYPTO MARKET MAKING & ALGO TRADING

PROFILE

Crypto market-making trader with 7+ years in algorithmic trading across CEX/DEX crypto, FX and CME futures. Runs and tunes market-making strategies in Python and Hummingbot, manages spreads, depth, inventory and risk across multiple exchanges, and serves as the main trading contact for token issuers and OTC clients. Builds trading tools quickly with AI-assisted development (Claude Code). Native Arabic, fluent French and English.

7+ yrs — ALGORITHMIC TRADING

CEX · DEX — CRYPTO MARKET MAKING

FX · Futures — FUNDED PROP TRADER

EXPERIENCE

Enflux — 2025 – PRESENT
Trade Ops Specialist / Senior Trader (OTC & Market Making)

- Manage liquidity across exchanges, optimizing spreads and order-book depth for client tokens
- Monitor and adjust strategies in real time to keep risk and P&L within limits
- Refine trading strategies with the engineering team as market conditions and client goals change
- Act as main trading contact for clients, delivering updates, insights and recommendations
- Produce market reports on liquidity, volatility and trends; keep full records of trades and client interactions

Gotbit Hedge Fund — 2024
Execution Trader — Crypto Market Making

- Provided two-sided liquidity for tokens on CEXs and DEXs, maintaining continuous quotes in illiquid markets
- Managed inventory and risk across venues; identified and executed trading opportunities
- Worked with clients and token teams on liquidity needs and product strategy

AIO Consulting — 2020 – 2024
Algorithmic Trader / MQL5 Developer

- Built, backtested and optimized trading strategies and bots in Python, MQL5 and FXDreema
- Delivered custom automated strategies to clients; published products on the MQL5 Market

Independent Proprietary Trading — 2018 – PRESENT
FX & CME Futures Day Trader (part-time) — Helios · FTMO · Topstep

- Trade funded accounts under strict prop-firm drawdown and risk rules

SPB Group — 2019 – 2020
Customer Support / Account Manager

- Handled daily client communication and requests; reviewed insurance contracts
